Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	Another land grab, no thoughts on how it will affect roads and the surrounding areas as usual. Just keep on shoehorning them in. Where's the extra water coming from?? And we constantly get told to ration the usage already!!

Kind regards
