Reasons for comment:

Comments:

[REDACTED] a wellness studio in the village is imperative to people's health and the community as we don't all want to go to public or corporate gyms but prefer a private small booking studio. I am in favour of the studio, it's clear to see there's a plan for noise control, a booking system and parking.. the flexibility of booking timings before and after work are so helpful to make exercise part of a regular routine around my life

Kind regards
