Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Insufficient road infrastructure around Doomsday Road, Hammerpond Road and St Leonards Road to support additional 180 homes. Horsham is already suffering from insufficient school places at secondary level (children travelling as far as Burgess Hill to be educated) insufficient Dr surgery's to provide adequate support to residents of Horsham. Concerns around the impact to

local wildlife and potential impact of flooding to the local area as building 180 will impact natural drainage of the local area.

Kind regards
