Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This is a Victorian style terraced house undergoing a massive extension to the back to take up most ground space to create an HMO in a road that has little to no space left. It's not right. And across the road a great big house that has the space for a HMO but stands to rot instead (not part of this objection but just adds flavour to the absurdity of this situation)

Kind regards
