Reasons for comment:	
Comments:	I have been a member of Paul's bootcamp gym for a number of years. The support, community and health benefits, [REDACTED], have been transformational, [REDACTED] I work outdoors for a living and found it really difficult to keep consistently coming to bootcamp due to the weather. So when the bootcamp gym was relocated indoors to the Billingshurst Fitness Studio at Huffwood Trading Estate it meant that I could come consistently and not have to worry about being wet/cold before I started work. [REDACTED] [REDACTED] I have lost weight, my strength has improved and I feel so much healthier now that I am watching what I eat by following Paul's programme. Going to the early morning sessions at the Billingshurst Fitness Studio also means that I can fit this in before I start my day working with the horses. It all just works perfectly for me and I am gaining so much from it, as well as being part of a wonderful, supportive community.

Kind regards
