Reasons for comment:	
Comments:	I have been a client of Paul Snowsell for over 4 years. He has brought affordable fitness classes to Billingshurst, supporting the health of local residents. He has worked hard to open his studio. He has fitted noise dampening floors, liased with neighbours to ensure we do not disturb them and ensures his clients park with consideration for other business users of the estate. He has brought employment to Billingshurst and is utilising as space that may have been left vacant. I can only encourage that this planning application is approved as if it is not, then Billingshurst will lose a

vital fitness commodity. This will leave the only other options an expensive club at Slinfold or the Gym at The Sports Centre that doesnt run the sort of classes that Paul does and at the times he offers

Kind regards
