Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	1) Doomsday Lane is a small narrow road & can be dangerous to walk along. Therefore people living on that development will need to use their cars. This will not only increase the volume of traffic on Doomsday/Hammerpond but St Leonards Road - which is already like living on the M25 at times! 2) There have been a lot of recent developments in the Horsham area : Kilnwood Vale/Bohunt/Hop Oast. If the development goes ahead on Hornbrook Farm that will increase the number by 500 to

600 people. Horsham District Council needs to be planning for a new hospital as Redhill Hospital clearly can't cope. Along with more GP surgeries. Currently its extreemly hard to get a doctor's appointment.

Kind regards
