Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly OBJECT! This area has an abundance of nature and rare wildlife which will be destroyed if this development goes ahead. The planning has not included preservation of certain rare birds and species. It would destroy their habitats. Plus the area doesn't have the resources of extra water and sewage services to support this. This green area must be protected for future generations.

Kind regards
