Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	As a resident of the neighbouring village, these plans add further pressure to my commute from Horsham from both Doomsday lane and Brighton Road. There is often queues of cars trying to make the turning of doomsday lane in rush hour and adding more traffic to this road would have a negative effect. The cars also come past Brighton Road at speed higher than the limit so there is a high chance of an accident occurring by people getting in and out of the

proposed road. The land should remain for farming or agricultural purposes as it is intended to be.

Kind regards
