Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	Do not continue to build on green land. The infrastructure around Horsham is already stretched due to over development. The roads around the proposal cannot cope with current usage let alone an increase. The area is of natural beauty and shouldn't be destroyed. Ive just been informed by southern water that we do not have

enough supply so how does increased development help that?
No more building in Horsham, the nice market town is no more
due to mass development.

Kind regards
