Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	I object completely to this ridiculous idea of turning a beautiful Victorian house into a house of multiple occupancy. It is out of character for the area. There is far too much over development in the area, it is not a substantial space for 6 people, there is inadequate parking and there will be sewage and sewer issues due to six en-suites.

Kind regards
