Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	Reduction of green space, shrinking of the green areas outside the town and expansion of the town into surrounding countryside leaving less room for wildlife. 2. Noise pollution especially for allotment holders, many of who have picked Chesworth allotments because of the peace and quiet.

3. Pressure from extra traffic joining the very narrow Arun Way from Brighton Road - although the entrance is to be situated via Athestan Way, there is a strong chance that Arun Way could be used as a back entrance.
 4. Environment agency have already advised no more building due to pressure on river Arun; our dry summer has evidenced the water shortage problem.
 5. Loss of views of the beauty of open spaces, which is one of the main attractions of our site; aiding all who need to find respite in our space and for those who choose us to help physical and/or mental health.
 6. There have been alleged reports from nearby residents of threatening behaviour by the land owner.
-

Kind regards
