Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	This is proposed on a narrow lane which has a blind bend as you approach the girder bridge increasing the potential for an accident with increased traffic. We moved here for the rural setting which would be ruined should approval be given. Laying down hard standing for each caravan will only increase the localised flooding already experienced. This just hasn't been thought through & hasn't taken account of the local residents already living in the area.
