Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	I find it totally unacceptable to be subject to music being played at a volume to be heard by neighbouring properties on any day. Also on such days the sound of extra traffic noise is also unacceptable. I would recommend that the speed limit be reduced to 20mph on safety and noise grounds as a permanent solution.
