Reasons for comment:	- Other
Comments:	I fully support this application to enable villagers who have lived here for many years to continue living here at their home, the planning application will have no effect to neighbouring houses and will be kept in taste with the surroundings. I can't understand why this would be not granted, the houses that are not in keeping to the village that have already been built by developers this isn't even a development it's a family trying to stay together [REDACTED].
