Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment - Trees and Landscaping
Comments:	Whilst I do not mind camping there are already 4-5 other sites that are already in use. I am concerned that another development of the same sort is going add more damage to the area, encourage anti-social behaviour and reduce efficiency of the other sites that already exist.
Where did you hear about this application?	Not specified
