Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	Use your brains, if we are needing to build this many houses then clearly our small island is overpopulated. How are people still not seeing it. Our wildlife is dying, our country is becoming one of the ugliest and least desired to live in the world because of you, we were once respected and now we are laughed at. Stop building houses.

Kind regards
