Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The Parish Council objects to the proposed new driveway/access on highway safety grounds. The site is opposite a school and close to a junction, where traffic and pedestrian movement are already high, particularly at school start and finish times. This is not a safe location for an additional access point. It would be difficult for vehicles to reverse into or out of the driveway safely because of passing traffic. Furthermore, the presence of children, and other pedestrians, would increase the risk of accidents. The proposal would therefore have an unacceptable impact on highway and pedestrian safety and should be refused.

Kind regards
