Customer Details

Address: 8 Amberley Road North Horsham, Horsham

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	I strongly object to this proposal as apart from the destruction of the environment and harm to wildlife, enough is enough. We have already lost too much of our green spaces to housing developments. The Mowbray development will already bring thousands of people in to the area; without any real investment in the infrastructure. The area is close to breaking point and yet more and more developments are being proposed. I already

experience the congestion at Moorhead roundabout when travelling to work. With more people in the area, this will become even more gridlocked. We are experiencing hotter summers but where is the investment to ensure water supplies, improve our roads, provide more schools, better healthcare services to cope with the increased Horsham population. We are in desperate need of a hospital with A&E, the closest options being approx 20 miles away at East Surrey or Haywards Heath, both already vastly overstretched, which anyone who has had the misfortune of experiencing their wait times can testify to. I really hope common sense will prevail and this development is refused.

Kind regards
