Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	This is going to cause hugely negative impact to the village, especially given the location. There has already been a huge large amount of development done 100 yards up the road, which is more than enough.

Plus the infrastructure, particularly sewage is already over capacity and this will exacerbate the situation
I strongly object to this proposal

Kind regards
