Hi Sam,

Thank you for your email regarding education requirements for the proposed construction of 100 dwellings at Toat Café, Stane Street, North Heath DC/26/0826.

At present, we do not envisage the need for on-site primary or secondary education facilities on this development. We would seek CIL funding towards expansion of existing facilities in the planning area as required.

Please do come back to me or Eloise Witty in the Planning Policy Team if you wish to discuss further.

Kind regards,

[REDACTED]
