Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other
Comments:	We wish to object to the additional parking application which is planned to be in Oak Road, not in Owl Close. There is already too many cars parking along Oak Road which has no provision for parking or pavements for pedestrians to walk, which means you have to walk in the road. If this goes ahead we are concerned that there will also be double parking next to this as well within Oak Road. The house is a 5 bedroom house with 3 parking spaces and a garage which should be ample space. We have also noticed that there are many cars associated with this house

belonging to people that don't actually live there, whose cars also remain there overnight.

Kind regards
