Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	With the agreement of houses being built in the field directly behind me 92 in fact on supposedly green belt and one access road the amount of traffic will increase plus from Fryern Park. Travellers are already settled further along Fryern Road, they never seem to have any problem in acquiring land and building on it probably as agency fearful to appear discriminatory towards

them. I oppose the application as why should they just pitch up and take over wherever they want to live. It has taken me 3 years to sell my house because of the development behind me and now I will have more development happening to the side of the road with more traffic coming out of Fryern Park.

Kind regards
