

**IN THE MATTER OF 'THE OFFICE', NYETIMBER FARM, GAY STREET,  
PULBOROUGH, RH20 2HH AND AN APPLICATION FOR A LAWFUL  
DEVELOPMENT CERTIFICATE.**

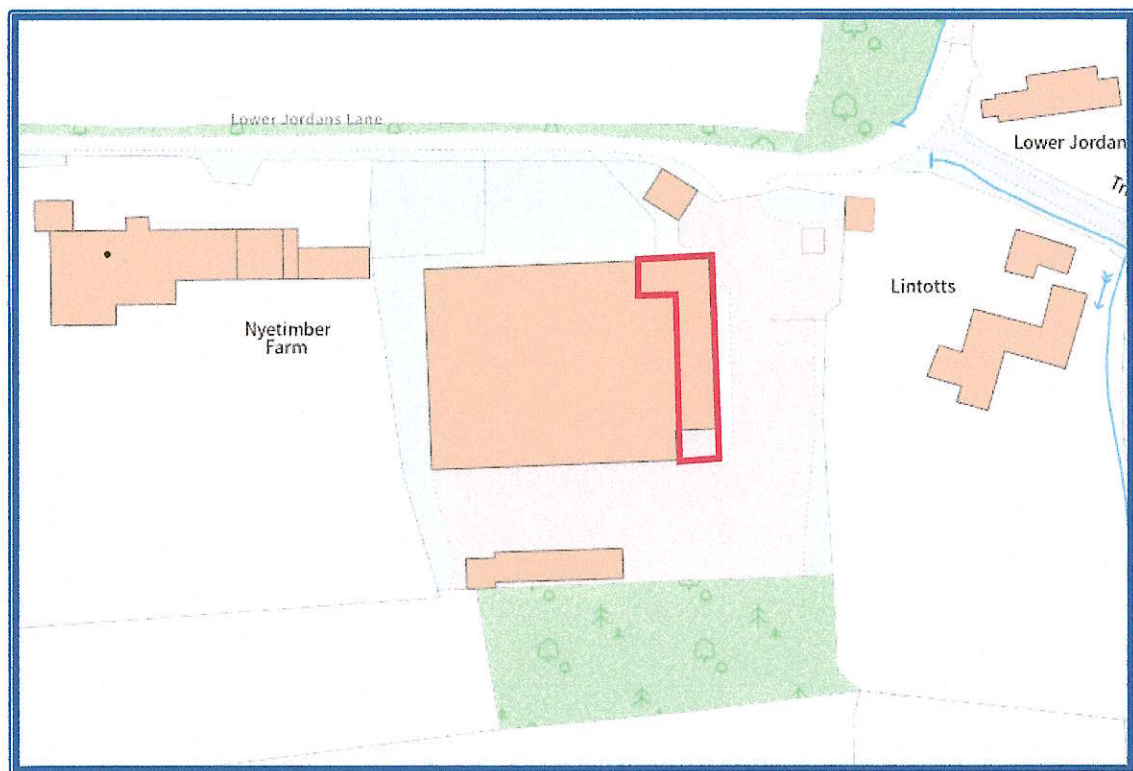

**DO SOLEMNLY AND SINCERELY DECLARE as follows:**

1. I am the current Managing Director (MD) of Allsaved Ltd. I have worked for the Company since April 2010, having initially started as a junior member of the team and then working my way up to MD in September 2019. I have continued to work in this position for Allsaved Ltd to the present day.
2. The holding of Nyetimber Farm contains the main dwelling with an outbuilding, agricultural / paddock land, a stable building and a large barn with a commercial office, as shown outlined in red on the attached plan. The barn has a single storey side addition to the eastern elevation which contains the majority of the commercial office.
3. I understand that following the purchase of the site in 2006 by Mr Tom and Mrs Ruth Simmonds, they converted a small section of the single storey side addition attached to the large barn into a small office area, which was used as a small home office and in association with the operations of the wider farm. The office use was regularised under planning reference DC/07/0333 in September 2007.
4. I understand that following the formation of Allsaved Ltd in 2008, the business started to operate from the office space, as shown outlined in red on the attached plan, and this acted as its headquarters and primary office for the operations of the business.
5. As detailed above, I started working for Allsaved Ltd in April 2010, where we were based and worked from the small office area, permitted under planning reference DC/07/0333.
6. In April 2014, Allsaved Ltd hired Chadwick Homes Ltd to renovate and extend the commercial office space as indicated on the attached plans at Appendix A. This also included some modest external alterations to the single storey side projection to the eastern side of the barn, as shown in the photos within Appendix B. The works also included the conversion of a portion of the barn to form storage and ancillary facilities in association with the commercial office.

7. Appendix C contains the invoice from Chadwick Homes Ltd for these works dated April 2014. The works were carried out and completed, with no further changes or alterations made up to the present date. The works were carried out and completed in May 2014, with no further changes or alterations made up to the present date. The operations of Allsaved Ltd and the office use continued as the works were carried out and I can confirm that I witnessed the works taking place on site.
8. The expanded and renovated commercial office space includes a main entrance / lobby area, two (2) office spaces with desks and meeting areas, two (2) ancillary storage areas, a kitchen area and a WC. The works carried out also included the creation of a small raised outdoor amenity area to the rear / south of the office, as shown within Appendix B. All the works to form the commercial office in its current form were completed in May 2014.
9. Following the completion of the works to create the expanded commercial office, we continued to operate Allsaved Ltd from here until the end of April 2021, after which the head office of Allsaved Ltd was moved to Unit 3 Trade Park, Stane Street, Billingshurst, England, RH14 9HP.
10. Subsequently, and following some decorating and refurbishment works, the commercial office space at Nyetimber Farm was rented to Gozone Ltd from May 2021. The tenancy agreement signed with Gozone Ltd in May 2021 is attached at Appendix D. Gozone Ltd used the commercial office space continuously from this date up to November 2025. Their tenancy agreement was for a period of five (5) years, as detailed within Appendix D.
11. Gozone Ltd was purchased by ADSL Ltd in November 2025 who have continued to rent and use the commercial office space up to the present day. The tenancy agreement signed with ADSL Ltd is attached at Appendix E and is for a period of five (5) years.
12. In addition, the commercial office space has also been rented and used by Informed Risk Ltd since May 2021. The tenancy agreement signed with Informed Risk Ltd in May 2021 is attached at Appendix F. Informed Risk Ltd has used the commercial office space continuously from this date up to the present day. The owner / managing director of Informed Risk Ltd, Mr Christopher Metters, is a chartered accountant and provides financial risk advice and acts as a non-executive financial advisor to Allsaved Ltd. These services are provided in lieu of monthly rent for the office space at Nyetimber Farm.
13. I regularly liaise and meet with Mr Christopher Metters within the commercial offices at Nyetimber Farm, as shown outlined in red on the attached plan, to discuss financial matters in relation to Allsaved Ltd.

14. The commercial office space, as shown outlined in red on the attached plan, has been shared by the companies detailed within points 10–12 above.
15. As such, I confirm that the commercial office at Nyetimber Farm, as outlined in red on the attached plan, has been in continuous use as a commercial office in its current form from 2014 up to the present day and has not been used for any other purpose / use.
16. I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act 1835.
