

DELEGATED APPLICATIONS - ASSESSMENT SHEET

OFFICER CHECKLIST	
WEEK ONE (Date Valid)	11th December 2025
Check Neighbours	x
Check Consultations (including newts) / Press List	x
Check Description, Plans and Supporting Documents	x
Print and Display Site Notice (if required)	☐
WEEK TWO (+7)	18th December 2025
Visit Site or request site visit photos (in accordance with Site Visit Guidance Note)	x
Draft HRA / AA if necessary. If the water statement is insufficient discuss with TL / PPO whether to discuss / accept amendments to the strategy.	☐
Instruct Legal if s106 required (with prior TL / PPO agreement)	☐
WEEK THREE (+14)	25th December 2025
If amendments are likely to be needed discuss with TL / PPO (N.B. Only minor amendments will be accepted in accordance with the Amendment Guidance). When requesting amendments give clear deadline (i.e. start of week 5).	☐
WEEK FOUR (+21)	1st January 2026
If no amendments required, contact agent / applicant with update on progress.	x
Confirm whether delegated or committee decision (re: parish and neighbour representations)	x
WEEK FIVE (+28)	8th January 2026
14-day re-consultation letters to be sent on any amended plans	☐
Prepare draft report	☐
WEEK SIX (+35)	15th January 2026
Check 35-day Cllr call-in for Committee	x
If decision based on original plans, report to be drafted and submitted for sign off	x
WEEK SEVEN (+42)	22nd January 2026
If decision based on amended plans, report to be drafted and submitted for sign off	☐
Reason for EOT	☐

APPLICATION NO./ADDRESS:

DC/25/2071
5 Lambs Farm Close, Horsham, West Sussex, RH12 4JZ

DESCRIPTION:

Erection of a first-floor side extension over existing garage, erection of front porch and associated alterations.

RELEVANT PLANNING HISTORY:

DC/21/0122	Demolition of existing side garage and erection of a single storey rear, two storey side and front porch extensions.	Application Permitted on 12.04.2021
------------	--	-------------------------------------

RELEVANT PLANNING POLICIES

The National Planning Policy Framework (NPPF)

Horsham District Planning Framework (2015):

Policy 32 - Strategic Policy: The Quality of New Development

Policy 33 - Development Principles

Neighbourhood Plan:

North Horsham Neighbourhood Plan area was designated, then the area voluntarily withdrew the designation.

Horsham District Local Plan (2023-40) (Regulation 19):

Policy 19: Development Quality

Policy 20: Development Principles

Parish Design Statement:

REPRESENTATIONS AND CONSULTATIONS RESPONSES

Where consultation responses have been summarised, it should be noted that Officers have had consideration of the full comments received, which are available to view on the public file at www.horsham.gov.uk.

Consultations:

Parish Comments:

No Objection

Representations:

None received

HUMAN RIGHTS AND EQUALITY:

The application has been considered having regard to Article 1 of the First Protocol of the Human Rights Act 1998, which sets out a person's rights to the peaceful enjoyment of property and Article 8 of the same Act, which sets out their rights in respect to private and family life and for the home. Officers consider that the proposal would not be contrary to the provisions of the above Articles.

The application has also been considered in accordance with Horsham District Council's public sector equality duty, which seeks to prevent unlawful discrimination, to promote equality of opportunity and to foster good relations between people in a diverse community, in accordance with Section 149 of the Equality Act 2010. In this case, the proposal is not anticipated to have any potential impact from an equality perspective.

PLANNING ASSESSMENT:

Policies 32 and 33 of the HDPF seek to ensure that development promotes a high standard and quality of design in order to enhance and protect locally distinctive characters. The policies also seek to ensure that the scale, massing and appearance of development relates sympathetically with the built surroundings, landscape, open spaces and routes within and adjoining the site, including any impact on the skyline and important views.

Background

Planning permission was previously granted under ref: DC/21/0122 for the demolition of the existing side garage and erection of a single storey rear, two storey side and front porch extensions. This permission was not though commenced within the required time period and has therefore expired.

This current application has therefore been submitted and proposes an alternative scheme with a first - floor side extension over the existing garage, erection of a front porch and associated alterations.

Character and Appearance

Policies 32 and 33 of the HDPF seek to ensure that development promotes a high standard and quality of design in order to enhance and protect locally distinctive characters. The policies also seek to ensure that the scale, massing and appearance of development relates sympathetically with the built surroundings, landscape, open spaces and routes within and adjoining the site, including any impact on the skyline and important views.

The application seeks planning permission for the erection of a first-floor side extension over existing garage, erection of front porch and associated alterations. The proposal would reduce the openness between the dwelling and the adjoining property, but it is not though considered that the resulting arrangement would appear harmfully cramped. The presence of a set-back from the front building line and a lowered ridgeline would create a subservient appearance and form, and this would help to reduce the prominence and dominance of the addition.

The application also seeks planning permission for the erection of a front porch. The proposed porch would be of a modest scale and is considered to be of a design, form and siting which would appear a subservient and sympathetic addition to the front of the property. The porch would not stand out as intrusive or unduly dominant in views along Lambs Farm Close and there would be no wider visual impacts.

Overall, the proposal would be a clearly subservient addition and is considered to be of a design, form and scale which is appropriate to the character and appearance of the existing dwelling, and which would not harm the character or appearance of the wider area. It is therefore considered that the visual impact of the proposal is acceptable and would accord with the above policies.

Impact on Neighbouring Amenity

Policy 33 of the HDPF states that permission will be granted for development that does not cause unacceptable harm to the amenity of the occupiers/users of nearby properties and land.

It is considered that the siting and layout of the proposed extension and the resulting relationship with adjoining properties would be sufficient to prevent any unacceptable harm to neighbouring amenity.

Water Neutrality

There is no clear or compelling evidence to suggest the nature and scale of the proposed development would result in a more intensive occupation of the dwelling necessitating an increased consumption of water that would result in a significant impact on the Arun Valley SAC, SPA and Ramsar sites, either alone or in combination with other plans and projects. The grant of planning permission would not therefore adversely affect the integrity of these sites or otherwise conflict with policy 31 of the HDPF, NPPF paragraph 193 and the Council's obligations under the Conservation of Habitats and Species Regulations 2017.

Biodiversity Net Gain

In accordance with the Biodiversity Gain Requirements (Exemptions) Regulations 2024, all householder applications are current exempt from the statutory requirement to demonstrate a 10% net gain in biodiversity.

Conclusion

The proposal is considered to comply with relevant local and national planning policies and is therefore recommended for approval.

Recommendation: Application Permitted

Conditions:

- 2 **Standard Time Condition:** The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

- 3 **Regulatory Condition:** The materials to be used in the development hereby permitted shall strictly accord with those indicated on the approved proposed elevations plan drawing numbered 04 REV A received 11.12.2025.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

NOTE TO APPLICANT

Biodiversity Net Gain Condition

Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

Under Regulations 4, 5, 7 & 8 of the Biodiversity Gain Requirements (Exemptions) Regulations 2024 the statutory biodiversity gain condition required by Schedule 7A to the Town and Country Planning Act 1990 (as amended) does not apply in relation to planning permission for development which:

- 1. does not impact an onsite priority habitat (a habitat specified in a list published under section 41 of the Natural Environment and Rural Communities Act 2006); and impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat (a hedgerow habitat or watercourse habitat identified for the purposes of the biodiversity metric);
- 2. is the subject of a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015;
- 3. is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the biodiversity gain planning condition which applies in relation to another development (In determining whether a development is undertaken solely or mainly for this purpose, no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee);
- 4. consists of no more than 9 dwellings, is carried out on a site which has an area no larger than 0.5 hectares, and consists exclusively of dwellings which are self-build or custom housebuilding ("Self-build or custom housebuilding" has the same meaning as in section 1(A1) of the Self-build and Custom Housebuilding Act 2015 (as amended)).

In addition, the Biodiversity Gain Plan Condition does not apply to applications for major development made before 12 February 2024, or non-major development made before 2 April 2024.

Based on the information submitted in the planning application documents, the Planning Authority considers that this permission is exempt from biodiversity net gain, and as such does not require approval of a biodiversity gain plan before development is begun.

Statutory exemptions and transitional arrangements

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at <https://www.gov.uk/guidance/biodiversity-net-gain>.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

POSITIVE AND PROACTIVE STATEMENT

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

Plans list for: DC/25/2071

(The approved plans will form Condition 1 on the Decision Notice of all Permitted applications)

Schedule of plans/documents **approved**:
