Dear Alice
I understand you will contact the Heritage Dept for approval of tiles. The existing roof tiles will be saved for reuse, similar tiles will be sourced if necessary, these can either be blended in or used on the rear. This is the link to the proposed hanging tiles (red).
traditionalclayrooftiles.co.uk/products/clay-roof-tile/developer-range/
We propose to change the GF window (south elevation) for a timber casement with flush fitting casements. The existing doors will remain.
The FF windows will be timber on north elevation; UPVC on less visible south & east elevation.
The roof windows will be Velux Heritage conservation rooflights similar to Coach House Mews.
I hope this meets your approval.
Regards
Paul Gosling
