Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Trees and Landscaping
Comments:	I object to the application to build 120 homes . I am a local resident & as this site did not succeed with the last application afew years ago I cannot accept any changes have been made to change the refusal. Biodiversity & wildlife will be affected with Irreparable damage to habitats , mature trees & wildlife foraging areas

An unsustainable strain will be put on the infrastructure, schools, GP surgeries are already struggling. Drainage / sewers are already impacted upon. Traffic is already a big issue in this area. I sincerely hope the application is refused as the area is part of the High Weald National Landscape part of an Area of Outstanding Natural Beauty (AONB)

Kind regards
