Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	Build on a brown field site! The number of housing developments being built on green sites is far too high for Horsham. It will significantly alter the area in terms of character. We do not have the infrastructure to house our current residents (doctors/dentists/hospitals/water) so more and more houses without additional infrastructure is ludicrous. If there is a 'need for housing' which I don't believe there is, build on the brown sites.

Kind regards
