Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Trees and Landscaping
Comments:	Horsham already has a huge development of homes on the right of the A264 and more to come on that side. This isn't the only development around horsham in recent years, which is causing a strain on doctors, dentists, hospitals and schools and many other social services, not to mention the increase in traffic.

Yesterday I saw a family walking in these fields enjoying the area, after strawberry picking at New house farm.
We must keep our fields for social and wellbeing. Observing nature and escaping the mass of people in a quiet spot has enormous benefits to mental health.
On my walks of this area I see Buzzards and kites as well as skylarks, deers and so many butterflies, insects and many rabbits. We have more than enough housing developments around the horsham area. I say no to this one.

Kind regards
