DC/26/0766. Town Barn.
RE; The Erection of 1 self build Dwelling, Driveway & Conversion of the existing Barn.

I wish to OBJECT to the above planning application on the grounds of Design, Highway Access, Trees and Landscape. I am in total agreement with the comments expressed by the Parish Council regarding this application which is situated in an area of the Parish which I know well from my daily dog walks.

A recent application in the Parish - DC/25/1520, Dunnocks -has been turned down on appeal and I would argue that the Planning Inspectors conclusions & reasons, that it conflicts with both the current Horsham District Planning Framework and the objectives of the Shipley Neighbourhood Plan, are also relevant to this application.

The presence of a large dwelling and driveway situated in this isolated field would be, to me, a desecration of one of the most beautiful & unspoilt areas of countryside in the Parish.

Please kindly acknowledge receipt of this, Yours sincerely [REDACTED]

Address:

Rosemary Cottage, Dragons Lane, Dragons Green, Shipley, Horsham West Sussex RH13 8GD.
