Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	With building in progress in North Horsham, Kilnwood Vale and around Faygate I really do not see the necessity for even more housing adjacent to this area particularly when I am already reading reports of water shortages. The road into Horsham is already becoming too busy, the hospital is too small and this constant development is going to ruin our market town. As a resident I strongly object to any further future building projects.

Kind regards
