The following ecological enhancements will be implemented:

Instillation of a bat box to the mobile home or within a tree positioned approx. 3-5m above ground.

Installation of a bird box to the mobile home or within a tree within the site.

Infilling of any gaps within the existing hedgerows with a native species hedge.

Gaps to be included at the bottom of fences to allow for movement of small mammals across the site.

1no Electric Vehicle (EV) charging point will be provided

1no. Covered and secure cycle parking space will be provided

1no. Refuse and recycling storage facility will be provided
