Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Other - Trees and Landscaping
Comments:	My apologies for being late on parade, but only today have I become aware of this proposal, which abuts my immediate neighbours (Combers Farm) land. We would also like to object to the this development for all the reasons stated. In addition, it is clearly nibbling away at the vital sylvan buffer between " North of Horsham" and Rusper, and the ultimate

intention we suspect is to apply for permanent housing as the applicant is also associated with Brunswick Homes.

Kind regards
