Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	Objecting on overdevelopment, lack of new medical/dental provisions, increase traffic on unsuitable roads - Doomsday is already a rat run and will only get worse as easier than trying to do St Leonards via Brighton Rd due to the often one way traffic on that road, removal of green field land supporting massive biodiversity, safety of pedestrians, traffic into town as no large

supermarket this side so need to drive as lack of public transport,
oversubscribed schools.

Kind regards
