

DELEGATED APPLICATIONS - ASSESSMENT SHEET

APPLICATION NO./ADDRESS:

DC/26/0495

Land At 515666 126464 , Quarry Way, Southwater, West Sussex, RH13 9ST

DESCRIPTION:

Removal of Condition 7 of previously approved application DC/22/1538 (Erection of 1no. 3-bed detached dwellinghouse with a single garage and additional off road car parking space) relating to water neutrality.

RELEVANT PLANNING HISTORY:

DC/25/0585	Variation of condition 10 of previously approved application reference DC/22/1538 (Erection of 1no. 3-bed detached dwellinghouse with a single garage and additional off road car parking space) revising water neutrality mitigation.	Application Permitted on 28.08.2025
DC/22/1538	Erection of 1no. 3-bed detached dwellinghouse with a single garage and additional off road car parking space.	Application Permitted on 26.07.2024

RELEVANT PLANNING POLICIES

The National Planning Policy Framework (NPPF)

Horsham District Planning Framework (2015):

Policy 1 - Strategic Policy: Sustainable Development
Policy 2 - Strategic Policy: Strategic Development
Policy 3 - Strategic Policy: Development Hierarchy
Policy 4 - Strategic Policy: Settlement Expansion
Policy 30 - Protected Landscapes
Policy 31 - Green Infrastructure and Biodiversity
Policy 32 - Strategic Policy: The Quality of New Development
Policy 33 - Development Principles
Policy 34 - Cultural and Heritage Assets
Policy 35 - Strategic Policy: Climate Change
Policy 36 - Strategic Policy: Appropriate Energy Use
Policy 37 - Sustainable Construction
Policy 38 - Strategic Policy: Flooding
Policy 39 - Strategic Policy: Infrastructure Provision
Policy 40 - Sustainable Transport
Policy 41 - Parking
Policy 42 - Strategic Policy: Inclusive Communities
Policy 43 - Community Facilities, Leisure and Recreation

Southwater Neighbourhood Plan (made):

SNP1 – Core Principles
SNP2 – Proposals for Residential Development
SNP9 – Home Standards
SNP10 – Residential Space Standards

SNP14 – Adequate Provision for Car Parking
SNP15 – Driving in the 21st Century
SNP16 – Design
SNP17 – Site Levels

Horsham District Local Plan (2023-40) (Regulation 19):

Policy 9: Water Neutrality
Policy 17: Green Infrastructure and Biodiversity
Policy 19: Development Quality
Policy 20: Development Principles
Policy 21: Heritage Assets and Managing Change within the Historic Environment
Policy 24: Sustainable Transport
Policy 25: Parking
Policy 45: Replacement Dwellings and House Extensions in the Countryside
Policy 46: Ancillary Accommodation

Parish Design Statement:

REPRESENTATIONS AND CONSULTATIONS RESPONSES

Where consultation responses have been summarised, it should be noted that Officers have had consideration of the full comments received, which are available to view on the public file at www.horsham.gov.uk

Consultations:

HUMAN RIGHTS AND EQUALITY:

The application has been considered having regard to Article 1 of the First Protocol of the Human Rights Act 1998, which sets out a person's rights to the peaceful enjoyment of property and Article 8 of the same Act, which sets out their rights in respect to private and family life and for the home. Officers consider that the proposal would not be contrary to the provisions of the above Articles.

The application has also been considered in accordance with Horsham District Council's public sector equality duty, which seeks to prevent unlawful discrimination, to promote equality of opportunity and to foster good relations between people in a diverse community, in accordance with Section 149 of the Equality Act 2010. In this case, the proposal is not anticipated to have any potential impact from an equality perspective.

PLANNING ASSESSMENT

Principle of Development:

The current application seeks to remove condition 7 of a previous application DC/22/1538 approved on 24 July 2022. Condition 7 was as follows:

- 7 ***Pre-commencement (slab level) Condition:*** No development above ground floor slab level shall commence until full details of the water efficiency measures and rainwater harvesting system required by the approved water neutrality strategy (prepared by ASAPS, received 29.04.2024) have been submitted to and approved in writing by the Local Planning Authority. The rainwater harvesting system shall include suitable storage tanks to provide a minimum 35 days storage capacity.

Reason: To ensure the development is water neutral to avoid an adverse impact on the Arun Valley SACSPA and Ramsar sites in accordance with Policy 31 of the Horsham District Planning Framework (2015), Paragraphs 185 and 186 of the National Planning Policy Framework (2021), and to allow the Local Planning Authority to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority habitats & species).

The application seeks to remove a pre-commencement condition which required the development to be carried out in accordance with SNWCS or to submit further information in respect of the applicant's water neutrality statement. The condition is no longer required.

A 2021 Position Statement from Natural England identified that it could not be concluded with the required degree of certainty that new development in the Sussex North Water Supply Zone would not have an adverse effect on the integrity of the Arun Valley SAC, SPA and Ramsar sites. As a consequence, and to comply with the legal duties set out in the Conservation of Habitats and Species Regulations 2017 (known as the Habitat Regulations), all new development since has been required to demonstrate water neutrality.

On 31st October 2025 Natural England formally withdrew the 2021 Position Statement, citing a package of measures that they were satisfied would safeguard the Arun Valley sites. Principal amongst these measures is a reduction in the Southern Water abstraction licence 'by March 2026'. However, given the licence change has not yet taken place Horsham District Council, as competent authority under the Habitats Regulations, cannot yet be certain that new development will not result in adverse impacts on the Arun Valley sites.

To ensure development can come forward as water neutral in the meantime, the Council has agreed with Natural England to use the significant water savings made by Southern Water in 2024/25 through their programme of leakage reduction (amongst other measures). This has generated some 3,240,000 litres per day of water savings that can now be attributed to new development without increasing water abstraction in the Arun Valley beyond baseline. These savings were previously to be used to launch the Sussex North Water Certification Scheme (SNWCS), however following the withdrawal statement SNWCS will no longer be launching. Natural England standing advice dated 10 November 2025 raises no objection to using these savings to enable development to come forward. The standing advice clarifies that it functions as Natural England's formal response pursuant to Regulation 63(3) of the Conservation of Habitats and Species Regulations 2017 to all relevant planning applications which seek to achieve water neutrality using the above Southern Water savings.

Officers have undertaken an Appropriate Assessment which demonstrates that the anticipated increase in mains water consumption from this development, alongside all other development granted since the 31st October 2025, will not exceed 3,240,000 litres per day.

Accordingly, Officers consider that the proposed development will not have an Adverse Effect on the Integrity of the Arun Valley Site, either alone or in combination with other plan and projects, thereby complying with Regulations 63 and 70 of the Conservation of Habitats and Species Regulations 2017, HDPF Policy 31, and paragraph 193 of the NPPF.

Conclusions:

The application seeks to remove a condition in which the applicant was required to demonstrate water neutrality. Since the DC/22/1538 was considered, the Natural England position statement has been withdrawn and the condition is no longer required. It is appropriate and acceptable in this instance therefore for the condition to be removed.

Recommendation: Application Permitted

Conditions:

- 2 **Standard Time Condition:** The development hereby permitted must be commenced by the 24 July 2027.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

- 3 **Regulatory Condition:** The construction set-up details as approved under DISC/25/0011 shall be adhered to throughout the construction period.

Reason: As this matter is fundamental in order to consider the potential impacts on the amenity of nearby occupiers during construction and in accordance with Policy 33 of the Horsham District Planning Framework (2015)

- 4 **Regulatory Condition:** The development shall be completed in accordance with the finished floor levels and external ground levels approved under DISC/25/0011.

Reason: As this matter is fundamental to control the development in detail in the interests of amenity and visual impact and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 5 **Regulatory Condition:** The development shall be carried out in accordance with the drainage strategy approved under DISC/25/0030.

Reason: As this matter is fundamental to ensure that the development is properly drained and to comply with Policy 38 of the Horsham District Planning Framework (2015).

- 6 **Regulatory Condition:** The materials, colours and finishes for external walls, windows, roofs of the development hereby permitted shall accord with the details approved under DISC/25/0011

Reason: As this matter is fundamental to enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a building of visual quality in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 7 Not Used

- 8 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until the electrical vehicle charging points as approved under DISC/25/0011 have been installed and are operational. The approved electrical vehicle charging points shall thereafter remain as such.

Reason: To provide electric vehicle car charging space for the use in accordance with Policies 35 and 41 of the Horsham District Planning Framework (2015) and the WSCC Parking Standards (2019).

- 9 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until the boundary walls and/or fences associated with that dwelling, as approved under DC/25/0011, have been implemented as approved. The boundary treatments shall thereafter be maintained in accordance with the approved details.

Reason: In the interests of visual and residential amenity in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 10 **Regulatory Condition:** The dwelling(s) hereby permitted shall meet the optional requirement of building regulation G2 to limit the water usage of each dwelling to no more than 110 litres per person per day. The subsequently installed water limiting measures shall thereafter be retained.

Reason: To limit water use in order to improve the sustainability of the development in accordance with Policy 37 of the Horsham District Planning Framework (2015), and to avoid an ad-verse impact on the Arun Valley SACSPA and Ramsar sites in accordance with Policy 31 of the Horsham District Planning Framework (2015), Paragraph 193 of the National Planning Policy Framework (2024), and to allow the Local Planning Authority to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority habitats & species).

- 11 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until provision for the storage of refuse and recycling has been provided within the garage or side or rear garden for that dwelling. The facilities shall thereafter be retained for use at all times.

Reason: To ensure the adequate provision of refuse and recycling facilities in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 12 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until the car parking spaces (including garages where applicable) necessary to serve it have been constructed and made available for use in accordance with approved drawing number 377-001B (received 18.08.2022). The car parking spaces permitted shall thereafter be retained as such for their designated use.

Reason: To provide car-parking space for the use in accordance with Policy 40 of the Horsham District Planning Framework (2015).

- 13 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until the cycle parking facilities serving it have been provided within the garage for that dwelling. The facilities shall thereafter be retained for use at all times. The cycle parking facilities shall thereafter be retained as such for their designated use.

Reason: To ensure that there is adequate provision for the parking of cycles in accordance with Policy 40 of the Horsham District Planning Framework (2015).

- 14 **Pre-Occupation Condition:** No part of the development hereby permitted shall be occupied until the necessary in-building physical infrastructure and external site-wide infrastructure to enable superfast broadband speeds of 30 megabits per second through full fibre broadband connection has been provided to the premises.

Reason: To ensure a sustainable development that meets the needs of future occupiers in accordance with Policy 37 of the Horsham District Planning Framework (2015).

- 15 **Regulatory Condition:** No works for the implementation of the development hereby approved shall take place outside of 08:00 hours to 18:00 hours Mondays to Fridays and 08:00 hours to 13:00 hours on Saturdays nor at any time on Sundays, Bank or public Holidays

Reason: To safeguard the amenities of adjacent occupiers in accordance with Policy 33 of the Horsham District Planning Framework (2015).

- 16 **Regulatory Condition:** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (and/or any Order revoking and/or re-enacting that Order no development falling within Classes A, AA, B and C of Part 1 or Class AD of Part 20 of Schedule 2 of the order shall be erected, constructed or placed within the curtilage

of the development hereby permitted without express planning consent from the Local Planning Authority first being obtained.

Reason: In the interest of visual amenity and to protect the amenities of the adjoining neighbours in accordance with Policy 33 of the Horsham District Planning Framework (2015).

NOTE TO APPLICANT

Biodiversity Net Gain Condition

Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

Under Regulations 4, 5, 7 & 8 of the Biodiversity Gain Requirements (Exemptions) Regulations 2024 the statutory biodiversity gain condition required by Schedule 7A to the Town and Country Planning Act 1990 (as amended) does not apply in relation to planning permission for development which:

1. does not impact an onsite priority habitat (a habitat specified in a list published under section 41 of the Natural Environment and Rural Communities Act 2006); and impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat (a hedgerow habitat or watercourse habitat identified for the purposes of the biodiversity metric);
2. is the subject of a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015;
3. is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the biodiversity gain planning condition which applies in relation to another development (In determining whether a development is undertaken solely or mainly for this purpose, no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee);
4. consists of no more than 9 dwellings, is carried out on a site which has an area no larger than 0.5 hectares, and consists exclusively of dwellings which are self-build or custom housebuilding ("Self-build or custom housebuilding" has the same meaning as in section 1(A1) of the Self-build and Custom Housebuilding Act 2015 (as amended)).

In addition, the Biodiversity Gain Plan Condition does not apply to applications for major development made before 12 February 2024, or non-major development made before 2 April 2024.

Based on the information submitted in the planning application documents, the Planning Authority considers that this permission is exempt from biodiversity net gain, and as such does not require approval of a biodiversity gain plan before development is begun.

Statutory exemptions and transitional arrangements

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at <https://www.gov.uk/guidance/biodiversity-net-gain>.

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

POSITIVE AND PROACTIVE STATEMENT

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.
