Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This is totally a overdevelopment of a site with no access other then a small single track road This would cause noise and disturbance on a daily basis this is a rural location with wildlife that rely on secluded parcels of land From my property I will see and feel the impact Of light pollution noise pollution this is not why I To this property I like my privacy and rural lifestyle So I totally object to this development
