Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	This is a great use for this industrial unit allowing the applicant to provide fabulous facilities for keeping me & many other locals fit & healthy. The applicant is a great fitness trainer offering year round boot camps & personal training sessions with the space to offer the boot camps in all weather which he was not able to provide before. I completely support this application.

Kind regards
