Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	What are we doing letting HMOs increase dramatically in Horsham? Can you explain the benefit to the occupant over the investor? By participating in the rentier take over, our town will be gone faster than you can say Blackstone. Please invest time into the cause of the housing crisis, cost of living crisis and implement some local law if this government doesn't have the guts

Kind regards
