Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity
Comments:	Fire risk as there is no window or external door from the kitchen. No adequate living space for occupants. No parking, bin storage or bike storage. Access on the side is unregistered land and a through path for 3 properties. Back passage is registered to another property via land registry. It will ruin the local residential feel within a residential road and will not look in tact with other similar properties in the area as the extensions will be too big.

Kind regards
