Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	This is clearly an HMO application by a firm outside of the local area to profit from the same. This is not conducive to the local community or the town as a whole. I also understand that Renovation's have begun without consent. Having just been through planning for a Grade II renovation we have adhered to all constraints, including heritage and conservation, rightly so. The fact others seemingly do not comply should be prosecuted and all works to date removed and reinstated.

Kind regards
