This email is to confirm I object to extra parking down our shared drive , due to not being able to stop it being used by anyone that cannot park on church place.. This will cause major problems for access to my property I need 24hour availability due to my husbands ill health..It will lower the value of my bungalow as the wooded area is supposed to be in the conservation area and TPO on the trees to protect it .. My neighbours have been trying to sell their property so when they find a buyer this problem will be left with us ..
The trees are always dropping bits of branches so it will be a risk to park there .. accident waiting to happen in my opinion.
Your email stated you needed my full address which I have listed below … [redacted] Holmwood Church place Pulborough West Sussex RH201af Sent from my iPad
