Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	This Committee feels that it could not make a comment until it ensures that the site is being used in accordance with the planning applications already agreed. This Committee notes that there are already comments from neighbours indicating that this site is not being run just as a garden and landscaping business but as a lorry park and haulage business. This Committee deems that it would be useful to have a meeting at the site with HDC officers to ascertain the business being

carried out and which enforcement notices have been complied with.

Kind regards
