Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	This plot of land is right on top 2 major roundabout, which filters all the traffic through the village. The thought of more than 100 vehicles assessing the road is an accident waiting to happen. Also the inconvenience of the road being dug up and the prospect of builders parking on the main artery into the village is a huge concern as it is also near to bus stops. Too many houses in a place that will cause dangerous access is a no from me. Also the

care home has no takers so I presume they will be reapply for housing as this was a phoenix planning application.

Kind regards
