Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	West End Lane is a narrow lane. It is a single track and cars need to pull into a driveway in order to let an on coming car through. The lane is badly "maintained" by the Highways Dept and is already full of huge potholes. Potentially 9 houses could add another 18 vehicles using this narrow lane not to mention all delivery vans. This area of green space fits in well with the development already here.

Kind regards
