Hi Steph,

Yes I can clarify that the WSI prepared by Allen Archaeology is sufficient to enable the archaeological works to commence on site and so discharge the part (i) requirement of condition 6 attached to planning consent DC/22/0518.

Kind regards

Nick

Dear Nick Truckle,

I hope this finds you well.

I am writing with regards to application ref: DISC/24/0035 for details reserved by condition 6 part (i) of approved application DC/22/0518 comprising of Written Scheme of Investigation for archaeological work.

As part of the application submission, the applicant included a copy of correspondence with yourselves from 11 March 2024 confirming that the WSI is appropriate and recommended submitting to Horsham for processing. Please can you review the submitted WSI and confirm whether it is the same as the one you reviewed and whether it is acceptable to address the requirements of condition 6 part (i)?

Any queries on this one, please let me know.

Kind regards,
Steph
