Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design
Comments:	I represent Rudgwick Preservation Society, and am also a neighbour. i have noted the comments by RPC, and by the occupants (32 December). My society does not often comment on Lawful Development issues. The comments by the owners of the property appear to make clear that there is no historical issue to be resolved. The only comment I wish to make is that there should

be an appropriate condition on ancillary use of the potential accommodation, in the usual way for such internal changes. The changes have no impact on neighbouring properties.

Kind regards
