Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Trees and Landscaping
Comments:	The area is a sight of national beauty and provides habitats for several wild animals and birds. It also provides green space for people to walk in peace and calm thus aiding good mental health. We are already short of medical services in Horsham and more people will make the situation worse. We already also have traffic congestion at the nearest roundabout

and junction from Old Crawley Road so again worsening of the situation with more air pollution and more cars!

Kind regards
