Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	My objection is not that we don't need more veterinary practices, we do but this location is just wrong. I have lived on New Road for 10 years, driving up and down this road is getting more and more dangerous every week. This location where there will be more traffic stopping in a bottleneck part of the road with Buildings either side, one with no front garden, will lead onto a serious incident. This is a small community that does not need the threat of extra

noise / the turning of large vehicles in and out where the trees just up the road make it quite dark. This will be a problem at some point as people speed at 60 miles per hour round the bend and down the hill past this property.

Kind regards
