Details of the pre-application advice received

Dear Sir/Madam,

Location: 3 Harding Lane Broadbridge Heath Horsham West Sussex

Details: Do I Need Planning Permission - Removal of decorative (leaking) chimney.

Thank you for your recent enquiry regarding the above, I can advise as follows: -

It is possible to carry out various alterations and extensions to a dwellinghouse without the need for planning permission, through what are known as 'permitted development' rights. The original planning permission for this property does though include a condition which removes these rights (condition 7 of DC/12/0814).

On this basis, the chimney removal would require planning permission. It would therefore be recommended that a planning application be submitted to allow for public consultation and further consideration. Further details on how to apply for planning permission can be found through the following link: -

<https://www.horsham.gov.uk/planning/planning-applications/apply-for-planning-permission>

There are recent examples of similar planning applications in Broadbridge Heath being approved, and in case of use these can be viewed through the Council's website and a search for DC/24/0652 and DC/23/1942: -

I hope this is of some assistance. The above comments are given as the opinion of the Case Officer and do not prejudice any outcome of a subsequent application. Should you submit a formal planning application, please quote reference number PE/26/0101 in your submission.

Yours faithfully

Meg Bayliss
