Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	The most ridiculous application! Horsham is overrun with developments - and no infrastructure to accommodate it all! You have the absolutely massive Mowbray development across the road from this proposed development. There is no need for 120 houses here. The traffic on the Moorhead Roundabout is bad enough.

Not to mention the beautiful land of New House Farm. You've had this application rejected before, take the hint and move on.

Kind regards
